You will need a mentor to help you with your assignments as you get ready for your summer placement.

What is a mentor?

A mentor can be any **adult** who is willing to help you with your assignments, stay on track with your work, and prepare to travel south. Mentors live in the same community as you and volunteer their time to help guide you through the program and the required assignments.

Through a series of assignments and summer work placements, participants earn 9 credits towards their high school diploma. The assignments are completed by the participant between January and November and will require support from the mentor during this time.

Who can be a mentor?

You can choose anyone as a mentor as long as:

- They have the time and are willing to help you with your assignments. They should be able to help you at least one hour a week, or more, between January and the beginning of June.
- They are an adult. Mentors can be teachers, NYA alumni, Recreation Coordinators, Youth Centre staff or anyone else in your community who can help you achieve your goals.
- They are someone who does not live in the same house as you.
